REPORT ON REVIEW OF INTERIM CONDENSED CONSOLIDATED FINANCIAL INFORMATION TO THE BOARD OF DIRECTORS OF AGILITY PUBLIC WAREHOUSING COMPANY K.S.C.P.

Introduction

We have reviewed the accompanying interim condensed consolidated statement of financial position of Agility Public Warehousing Company K.S.C.P. (the “Parent Company”) and its subsidiaries (collectively, the “Group”) as at 30 September 2025 and the related interim condensed consolidated statement of income and interim condensed consolidated statement of comprehensive income for the three-month and nine-month periods then ended and the related interim condensed consolidated statement of cash flows and interim condensed consolidated statement of changes in equity for the nine-month period then ended. The management of the Parent Company is responsible for the preparation and presentation of this interim condensed consolidated financial information in accordance with International Accounting Standard IAS 34: *Interim Financial Reporting* (“IAS 34”). Our responsibility is to express a conclusion on this interim condensed consolidated financial information based on our review.

Scope of Review

Except as explained in the following paragraph, we conducted our review in accordance with International Standard on Review Engagements 2410, “*Review of Interim Financial Information Performed by the Independent Auditor of the Entity*”. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Basis for Qualified Conclusion

(i) As stated in Note 5 and Note 6 to the interim condensed consolidated financial information, the Group has derecognised its investment in its associate, Korek Telecom (“Korek”), by recording an unrealized loss on financial assets at fair value through profit or loss amounting to KD 110,971 thousand in the interim condensed consolidated statement of income for the period ended 30 September 2025. At the same time, to the extent of the investment that was derecognised, the Group has recognised income on recognition of legal claims amounting to KD 110,971 thousand in the interim condensed consolidated statement of income for the period ended 30 September 2025, along with a corresponding claims receivable, in addition to the loan to the associate amounting to KD 35,515 thousand (31 December 2024: KD 35,811 thousand and 30 September 2024: KD 35,444 thousand), in the interim condensed consolidated statement of financial position as at 30 September 2025. We were unable to obtain sufficient appropriate evidence about the recoverability of the claims receivable and the loan to the associate due to the nature and significant uncertainty around these balances and eventual outcome of the various ongoing arbitrations. Consequently, we were unable to determine whether any adjustments to the carrying value of the claims receivable, the loan to the associate as at 30 September 2025, and the related income on recognition of the legal claims recorded in the interim condensed consolidated statement of income for the period ended 30 September 2025, were necessary.

REPORT ON REVIEW OF INTERIM CONDENSED CONSOLIDATED FINANCIAL INFORMATION TO THE BOARD OF DIRECTORS OF AGILITY PUBLIC WAREHOUSING COMPANY K.S.C.P. (continued)

Basis for Qualified Conclusion (continued)

We have been issuing a qualified opinion and conclusion on the consolidated financial statements of the Group in respect of this matter since the year ended 31 December 2014.

(ii) As stated in Note 12(a) to the interim condensed consolidated financial information, the Group has investment properties amounting to KD 214,568 thousand as at 30 September 2025 (31 December 2024: KD 280,293 thousand and 30 September 2024: KD 280,384 thousand) that are leased from the Public Authority for Industry, Kuwait ("PAI"), of which the lease contracts of properties amounting to KD 192,630 thousand (31 December 2024: KD 258,355 thousand and 30 September 2024: KD 255,909 thousand) have expired as at the reporting date and the lease contracts of properties amounting to KD 192,630 thousand (31 December 2024: KD 223,255 thousand and 30 September 2024: KD 190,988 thousand) are currently under legal dispute raised by PAI, since PAI issued notices to the Group on various dates commencing from 18 January 2023, expressing their unwillingness to renew or extend these lease contracts, and for the Group to vacate these premises. As part of legal proceedings, the Group has asked the Kuwait courts to prevent PAI from interrupting the usage of these properties by the Group. The Group was also unable to obtain a reliable estimate of the fair value of the investment properties leased from PAI, on account of the uncertainty associated with these properties, as a result of the ongoing litigation with PAI. We were therefore unable to obtain sufficient appropriate audit evidence about the existence and valuations of these investment properties due to the expiry of the underlying lease contracts as detailed in Note 12(a), and management being unable to determine the fair value of all the leased properties from PAI as at 30 September 2025. Further there is significant uncertainty around the renewal of all the lease contracts with PAI and the rights or liabilities that may arise, as well as the operational revenues, profitability and related cashflows that may be impacted, as a result of the ongoing legal proceedings. Consequently, we were unable to determine whether any adjustments to the carrying value of these properties were necessary. We have been issuing a qualified opinion and conclusion on the consolidated financial statements of the Group in respect of this matter since the year ended 31 December 2022.

In addition to the above, as disclosed in Note 12(a), the Group has handed over investment properties having a carrying value of KD 65,762 thousand to PAI under an official handover report, which has not been derecognized in the interim condensed consolidated statement of financial position as at 30 September 2025, along with a corresponding impairment charge in the interim condensed consolidated statement of income for the period then ended. Accordingly, investment properties and retained earnings as at 30 September 2025 are overstated by KD 65,762 thousand, and the loss for the period is understated by an equivalent amount.

REPORT ON REVIEW OF INTERIM CONDENSED CONSOLIDATED FINANCIAL INFORMATION TO THE BOARD OF DIRECTORS OF AGILITY PUBLIC WAREHOUSING COMPANY K.S.C.P. (continued)

Basis for Qualified Conclusion (continued)

(iii) As stated in Note 12(b) to the interim condensed consolidated financial information, the Group has recognized an income under 'recognition of legal claims (net)' amounting to KD 54,396 thousand in the consolidated statement of income for the year ended 31 December 2024, instead of accounting for it retrospectively in the year ended 31 December 2022. Accordingly, receivables, retained earnings and non-controlling interest for the comparative period as at 30 September 2024, are understated by KD 54,396 thousand, KD 32,964 thousand and KD 21,432 thousand respectively. Further, as stated in Note 12(b), the Group is also eligible for 7% interest per annum on the awarded compensation, the financial impact of which has not been accounted in the interim condensed consolidated financial information. We have issued a qualified opinion and conclusion on the consolidated financial statements of the Group in respect of this matter since the year ended 31 December 2024.

Qualified Conclusion

Based on our review, except for the possible effect of the matters described in the "Basis for Qualified Conclusion" paragraph above, nothing has come to our attention that causes us to believe that the accompanying interim condensed consolidated financial information is not prepared, in all material respects, in accordance with IAS 34.

Emphasis of Matter

We draw attention to Note 12(c) to the interim condensed consolidated financial information which describe the contingencies and claims with the General Administration of Customs for Kuwait. Our conclusion is not further qualified in respect of this matter.

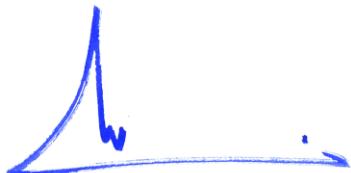

Report on Other Legal and Regulatory Requirements

Furthermore, based on our review, except for the possible effects of the matters described in the "Basis for Qualified Conclusion" paragraph above, the interim condensed consolidated financial information is in agreement with the books of account of the Parent Company. We further report that, to the best of our knowledge and belief, we have not become aware of any violations of the Companies Law No. 1 of 2016, as amended and its Executive Regulations, as amended, or of the Parent Company's Memorandum of Incorporation and Articles of Association, as amended, during the nine-month period ended 30 September 2025 that might have had a material effect on the business of the Parent Company or on its financial position.

INFORMATION TO THE BOARD OF DIRECTORS OF AGILITY PUBLIC
WAREHOUSING COMPANY K.S.C.P. (continued)**

Report on Other Legal and Regulatory Requirements (continued)

We further report that, except for the possible effects of the matters described in the “Basis for Qualified Conclusion” paragraph above, during the course of our review, to the best of our knowledge and belief, we have not become aware of any violations of the provisions of Law No. 7 of 2010 concerning establishment of Capital Markets Authority “CMA” and organization of security activity and its executive regulations, as amended, during the nine-month period ended 30 September 2025 that might have had a material effect on the business of the Parent Company or on its financial position, except for the valuation of investment properties as disclosed in Note 12(a).

During the year ended 31 December 2011, the Group (through its wholly owned subsidiary, a Venture Capital Organisation) jointly with France Telecom acquired 44% equity interest in Korek Telecom L.L.C. (“Korek Telecom”), a limited liability company incorporated in Iraq, via a joint company owned 54% by the Group and 46% by France Telecom. As a result, the Group owned 23.7% indirect interest in Korek Telecom.

The investment in Korek Telecom was classified as an investment in an associate as the Group exercised significant influence over financial and operating policies of Korek Telecom. As this associate is held as part of Venture Capital Organization’s investment portfolio, it is carried in the interim condensed consolidated statement of financial position at fair value. This treatment is permitted by IAS 28 “Investment in Associates and Joint Ventures” which allows investments held by Venture Capital Organisations to be accounted for at fair value through profit and loss in accordance with IFRS 9, with changes in fair value recognised in the interim condensed consolidated statement of income in the period of change.

As a result of the ongoing litigation relating to Korek as detailed in Note 6, the Group’s management was unable to determine the fair value of this investment and the recoverability of interest-bearing loan as at 30 September 2025, 31 December 2024 and 30 September 2024. Accordingly, the investment was carried at its fair value as at 31 December 2013 of USD 359 million equivalent to KD 111,023 thousand (31 December 2024: KD 111,951 thousand and 30 September 2024: KD 110,801 thousand).

During the period, management recognized full fair value loss on the investment considering the ongoing arbitration proceedings and jurisdictional challenges as detailed in Note 6 and instead recorded a claim receivable to the extent of the carrying value of the investment amounting to KD 110,971 thousand (Note 6).

As at 30 September 2025, interest bearing loan provided by the Group to its associate, Korek Telecom amounted to KD 35,515 thousand (31 December 2024: KD 35,811 thousand and 30 September 2024: KD 35,444 thousand) (Note 13).

Korek Litigation

ICSID Claim

In February 2017, the Group filed a request for arbitration against the Republic of Iraq pursuant to Article 36 of the Convention on the Settlement of Investment Disputes between States and Nationals of Other States (“ICSID”), and Article 10 of the Agreement between the Government of the State of Kuwait and the Government of the Republic of Iraq for Reciprocal Promotion and Protection of Investments (the “2015 BIT”). The arbitral claim arises from a series of actions and inactions of the Iraqi government, including its regulatory agency Communications & Media Commission (“CMC”) relating to an alleged decision by the CMC to annul the previous written consent granted in connection with the Group’s investment in Korek Telecom, as well as the CMC’s order to transfer the shares acquired by the Group back to the original Iraqi shareholders (which was implemented in March 2019). Without limitation, the Group’s claims relate to Iraq’s failure to treat the Group’s investment of over USD 380 million fairly and equitably, its failure to accord the Group with due process, as well as the indirect expropriation of that investment, each in breach of the 2015 BIT. On 24 February 2017, the Group’s request for arbitration was formally registered with ICSID. The arbitration tribunal was formally constituted on 20 December 2017 and an initial procedural hearing was held on 31 January 2018.

The Group’s memorial was submitted on 30 April 2018. On 6 August 2018, Iraq submitted objections to jurisdiction and requested that they be determined as a preliminary matter before the case proceeds further on the merits. The tribunal bifurcated the proceedings on 31 October 2018 and the Group submitted its counter-memorial on jurisdiction on 10 January 2019. The reply of the respondents was submitted on 25 February 2019 and the Group’s rejoinder was submitted on 21 March 2019. The hearings were held on 24 and 25 April 2019. On 9 July 2019, the tribunal issued its decision on jurisdiction in which it found that it had jurisdiction over certain (but not all) of the Group’s claims. The case will now go forward on the merits of the claims over which the tribunal has jurisdiction. The Respondent’s counter-memorial was submitted on 13 March 2020. The Group’s reply to Respondent’s Counter-Memorial was submitted on 17 July 2020. The hearings on the merits were held in October 2020, and post-hearing submissions were submitted in November 2020.

Korek Litigation (continued)

ICSID Claim (continued)

On 22 February 2021, the tribunal issued its ruling, dismissing all of the Group's claims and awarding costs of approximately USD 5 million in favor of the respondent. On 28 May 2021, the Group filed an application to annul the award with ICSID which was formally registered on 4 June 2021. On 22 September 2021, ICSID constituted a committee to adjudicate the Group's application to annul the award. The committee convened on 22 November, 2021 and issued a procedural timetable for the proceedings on 24 November 2021. In accordance with the procedural timetable, the Group submitted its Memorial on 22 December 2021. Iraq's Counter-Memorial was submitted on 22 April 2022. The hearings were convened on 15 and 16 November 2022. On 8 February 2024, the committee issued its decision in which it partially annulled the original judgment on the basis that the tribunal failed to properly rule on Agility's implementation claim, thereby committing an annulable error. Consequently, on July 8, 2024, the Group refiled its ICSID claim against the Republic of Iraq. The claim has been registered and a new ICSID tribunal has been constituted. A hearing before the new ICSID tribunal is scheduled for November 2026.

Kuwait Claim Against the KRG

Separately, on 31 May 2021, Alcazar Capital Limited ("Alcazar"), a subsidiary of the Group, filed a claim in Kuwait against the Kurdistan Regional Government (KRG), a political subdivision of the Government of Iraq, under the terms of a sovereign guarantee in respect of the Group's investment. On 24 January 2022, the Court of First Instance dismissed Alcazar's claims on the basis that, among other things, Alcazar had failed to prove that it had extended the USD 250 million loan to Korek over which it was seeking damages under the sovereign guarantee. On 16 February 2022, Alcazar appealed the judgment to the Kuwait Court of Appeal. On 19 April 2022 the Court of Appeal issued a judgment in favor of Alcazar awarding damages of USD 490 million (the "Kuwait Judgement") against the Kurdistan Regional Government, together with interest of 7% p.a. up to the date of satisfaction of the amount. On 2 May 2023, the Kuwait Court of Cassation issued a stay of enforcement of the Kuwait Court of Appeal judgment, pending its adjudication of the matter. On 30 January 2024, the Kuwait Court of Cassation rejected the KRG's appeal and upheld the Kuwait Judgment.

Consequently, Alcazar commenced enforcement proceedings of the Kuwait Judgment. In January 2023, it commenced proceedings before the United States District Court for the Southern District of New York seeking recognition and enforcement of the Kuwaiti Judgment (the "SDNY Proceeding"). In April 2024, the U.S. Court stayed the proceedings pending the outcome of the proceedings in Kuwait. In July 2024, the U.S. Court lifted the stay and instituted a briefing schedule. The KRG has moved to dismiss the SDNY Proceeding on legal grounds. Alcazar has separately moved for the U.S. Court to enter summary judgment in its favor (i.e., granting Alcazar its requested relief). Briefing on these motions were completed at the end of October 2024. On 6 December 2024, the Court issued a ruling in which it denied the KRG's motions to dismiss Alcazar's claims, and stayed the case generally, pending the outcome of the ICSID proceedings. On December 20, 2024, Alcazar filed a motion for reconsideration of the stay order. That motion is currently pending.

In December 2024, Alcazar commenced proceedings before the Regional Court Berlin (the "Berlin Court") against the KRG seeking recognition and declaration of enforceability of the Kuwaiti Judgment in Germany (the "German Proceeding"). The German Proceeding is at an early stage. The complaint has to be served on the KRG which has not yet taken place.

Separately, in December 2022, Alcazar commenced enforcement proceedings in France. On 20 November 2023, the KRG submitted its Statement of Defense. Alcazar submitted its Statement of Reply on 27 February 2024, following which the court ordered the KRG to submit its Statement of Rejoinder on 27 March 2024.

On 26 March 2024, the KRG informed the court that it had submitted an application for reconsideration before the Kuwaiti courts – seeking to overturn the Kuwaiti Judgment – and on that basis requested an extension for the filing of its Statement of Rejoinder. On 29 March 2024, the court in the French Proceedings granted the KRG's request for an extension, ordering that the Statement of Rejoinder be submitted on 11 September 2024. The request for reconsideration before the before the Kuwaiti courts was dismissed on 9 July 2024.

Kuwait Claim Against the KRG (continued)

On 10 September 2024, the KRG submitted its Statement of Rejoinder, along with an application to stay the proceedings. Alcazar submitted its response to the KRG's application for stay on 8 October 2024, following which the court set a date for oral argument for 13 November 2024. On 3 December 2024, the KRG withdrew its application for stay, following which the court set a new hearing date for the parties to provide oral argument on the allocation of costs resulting from the KRG's stay application. The hearing took place on the scheduled date, 11 December 2024, and the court issued its decision on 22 January 2025, awarding certain costs in favor of Alcazar.

On 29 April 2025, Alcazar filed its submission on the merits.

On 5 May 2025, the KRG raised two procedural applications, one requesting a stay of the proceedings pending the outcome of the resubmitted ICSID proceedings between the Company and the Republic of Iraq (ICSID Case No. ARB/17/7), and the other requesting to benefit from the Republic of Iraq's sovereign immunity. Alcazar filed its objection to both applications on 4 July 2024. The parties are currently conferring with the court to determine the following procedural steps for these two applications.

Pending final outcome of the enforcement proceeding and the uncertainties on the timing and determination of recovery, the Group's management has not considered any adjustment in the interim condensed consolidated financial information.

Associated KRG Claim Against Parent Company

In February 2025, the Kurdistan Regional Government filed a claim against the Parent Company and its CEO, before the Erbil Court of First Instance in Kurdistan, Iraq. The claim seeks damages by alleging that the Parent Company and its CEO were responsible for an alleged improper notification of the Kuwaiti claim filed by Alcazar which resulted in Alcazar obtaining the Kuwaiti judgment against the KRG and seeking to enforce the Kuwaiti judgment in foreign jurisdictions. The claim is currently pending before the Erbil Court of First Instance, and the next hearing is set for 10 December 2025.

Deed of Release Arbitration

On 24 February 2023, Korek commenced an arbitration against Alcazar, seeking a permanent injunction preventing Alcazar from enforcing in Kuwait and internationally against the KRG, the Kuwait Judgment. Korek claims the obtaining and enforcement of the Kuwaiti Judgment is a breach of a Deed of Release that Alcazar signed in 2011, by which Alcazar is said to have released Korek's obligations under the Convertible Loan Agreement. Korek also seeks various declarations, including declarations that Alcazar is in breach of contract and Korek has no liability under a Convertible Loan Agreement. Korek has also indicated that it will apply to the tribunal (once constituted) for an interim injunction preventing Alcazar from enforcing the Kuwaiti Judgment, pending the issuance of a final award in the arbitration. Korek submitted its Request for Arbitration to the ICC Secretariat on 24 February 2023, and this was served on Alcazar on 15 March 2023. Alcazar filed its Answer to the Request for Arbitration (the "Answer") on 15 May 2023. The tribunal was constituted on 23 July 2023. Korek filed its statement of claim on 18 October 2023. Alcazar filed a security for costs application on 20 October 2023, and a stay application on 23 October 2023. On 21 December 2023, the tribunal granted Alcazar's security for costs application but dismissed its stay application. Korek was required to provide security for Alcazar's costs in the amount of USD 1.35 million (the "Security Amount") by 18 January 2024 but failed to do so. The proceedings were therefore automatically stayed until Korek belatedly paid the Security Amount on 18 March 2024.

The proceedings have now recommenced. Korek filed an application for an interim injunction on 28 March 2024 (the "Injunction Application"). Alcazar filed its Statement of Defence on 23 April 2024. The document production phase concluded on 13 August 2024. On 30 August 2024, in Procedural Order No. 3, Iraq Telecom was awarded additional security for costs in the amount of USD 220,000 in respect of its costs of opposing Korek's Injunction Application. Korek filed its Statement of Reply on 26 September 2024. Written submissions on the Injunction Application concluded on 14 October 2024, and the Injunction Application will be heard on 13 November 2024, with skeletons to be filed on 6 November 2024. Iraq Telecom has applied to the Tribunal for an extension of time to file its Rejoinder until 27 January 2025. The parties filed written opening submissions on 3 February 2025. The merits hearing occurred on 10-14 February 2025. The parties filed written closings on 17 March 2025.

Deed of Release Arbitration (continued)

On 28 July 2025, the Tribunal issued a final partial award, declaring, among other things, that: (i) Alcazar breached the Deed of Release by obtaining the Kuwaiti judgment; (ii) Alcazar breached the Deed of Release by asserting in the enforcement proceedings in New York. No monetary damages were awarded. Alcazar is currently considering an application to annul the award before the courts of the DIFC.

In conjunction with the foregoing claims related to Korek Telecom, Iraq Telecom Limited (“IT Ltd.”) (in which the Group holds an indirect 54% stake) commenced the following proceedings.

► *Shareholders Agreement Arbitration*

On 4 June 2018, IT Ltd. commenced ICC arbitration proceedings against Korek International (Management) Ltd (“CS Ltd”) and Mr. Sirwan Saber Mustafa. The dispute is in relation to various contractual breaches by the respondents under a shareholders’ agreement relating to the Parent Company’s investment in Korek Telecom. The amount in dispute is to be determined during the course of the proceedings.

The request for arbitration was submitted on 4 June 2018, and the respondents’ reply was submitted on 10 September 2018. IT Ltd. filed an amended request for arbitration on 15 January 2019 and the tribunal was constituted on 29 March 2019. IT Ltd’s Statement of Claim was submitted on 28 August 2019 and CS Ltd’s Statement of Defense was submitted on 22 January 2020. On 10 July 2020, IT Ltd. discontinued the proceedings on a without prejudice basis.

New proceedings were commenced with similar claims were nonetheless filed by IT Ltd., both for itself and on behalf of International Holdings Ltd (“IH”) and Korek Telecom, against CS Ltd. and Mr. Sirwan Saber Mustafa. On 25 August 2020, IT Ltd. filed its second amended (and current) request for arbitration for itself and in the name and on behalf of International Holdings Ltd. The tribunal was constituted, and IT Ltd.’s application to pursue derivative claims on behalf of International Holdings Ltd. and Korek Telecom was submitted in December 2020.

The tribunal held a preliminary hearing in February 2021 to adjudicate IT Ltd.’s application to bring derivative claims on behalf of International Holdings Ltd (including whether the tribunal has jurisdiction over such an application). By order dated 16 March 2021, the Tribunal granted IT Ltd. permission to file most of the derivative claims at issue. On 23 April 2021, IT Ltd. submitted its Statement of Claim on the merits. The parties held hearings on the merits between 8 and 16 May 2022. Further hearings occurred on 2 and 3 August 2022. On March 20, 2023, the Tribunal issued its award. The Tribunal agreed with IT Ltd. and International Holdings Limited that all of the respondents had engaged in a deliberate and intentional scheme “to bribe and corrupt officials” of Iraq’s telecommunications regulator in order to procure a wrongful decision to expropriate the shareholding of IT Ltd. and IH in Korek Telecom. The Tribunal also agreed with IT Ltd. and International Holdings Limited that Sirwan Saber Mustafa Barzani had breached his fiduciary obligations by engaging in multiple acts of self-dealing and misconduct, causing harm to the claimants. The Tribunal ordered that the respondents, jointly and severally, pay International Holdings Limited and IT Ltd. a combined amount of USD 1.65 billion in damages and legal costs, together with interest. Of this amount, an amount of USD 1.329 billion is due to International Holdings Limited, and an amount of USD 318.7 million is due to IT Ltd.

On 10 April 2023, an application for recognition and enforcement of the award was made. The DIFC Court granted the application on 13 April 2023 (the “R&E Order”). The R&E Order needs to be served before it is enforceable. On 14 April 2023, an application for permission to serve the Defendants with the R&E Order and related DIFC Court documents by alternative means was made. This application was granted by the DIFC Court on 2 May 2023.

On 14 April 2023, an application was made for IT Ltd. to have permission to enforce the award and the R&E Order for and on behalf of International Holdings Limited. This application was granted on 12 May 2023.

On 28 April 2023, IT Ltd. applied to the DIFC Court for a worldwide freezing order against Mr. Barzani, to the value of the amount he personally owes Iraq Telecom and IH Ltd under the SHA Award (i.e. circa US \$1.6 billion). An ex parte hearing occurred on 11 May 2023 and the freezing order was granted on 12 May 2023. Mr. Barzani was served with the freezing order and expressed his willingness to comply with it, and also provided asset disclosure via an affidavit. The parties are in ongoing correspondence regarding the extent of Mr. Barzani’s disclosure and his compliance with the freezing order. IT Ltd. can apply to the DIFC Court for an order for further disclosure, or cross-examination of Mr. Barzani, as necessary.

► *Shareholders Agreement Arbitration (continued)*

On 24 May 2023, Korek and Mr. Barzani applied to stay the effect of the R&E Order pending determination of the Award Set Aside Application (defined below) (the “R&E Application”). The Court granted the R&E Application on 31 May 2023, but then set aside the order granting the R&E Application on 2 June 2023 and requested a hearing of the R&E Application, which was listed for 25 July 2023. The parties then agreed to the withdrawal of the R&E Application, on the condition that Iraq Telecom undertake not to enforce the R&E Order in the DIFC until the determination of the Award Set Aside Application by the DIFC Court of First Instance. That agreement was memorialised in a consent order. The 25 July 2023 hearing has been vacated.

On 20 June 2023, Korek and Mr. Barzani applied to the DIFC Court to set aside the SHA Award. In respect of this application, IT Ltd. filed and served responsive evidence to Korek’s and Mr. Barzani’s application on 15 September 2023, and Korek and Mr. Barzani filed and served their factual evidence on 20 October 2023. The experts appointed by the parties filed their joint reports on 24 November 2023, and a hearing of three days occurred in the week commencing 19 February 2024. On 29 August 2024, the DIFC Court dismissed the Award Set Aside Application in full and awarded Iraq Telecom its costs (the “Set Aside Judgment”).

On 19 September 2024, Korek applied to the DIFC Court for: (1) permission to appeal the Set Aside Judgment; and (2) a stay of enforcement of the R&E Order in the DIFC pending any appeal. On 10 October 2024, Iraq Telecom submitted a skeleton argument in opposition to the permission to appeal application. On 27 November 2024, the DIFC Court granted permission to appeal, but refused the stay of enforcement. The hearing of the appeal occurred on 1 May 2025. The appeal was dismissed in full on 16 June 2025. The SHA is now final and enforceable and not subject to further challenge in the DIFC. IT Ltd is proceeding with assessment of its costs.

Separately, on 24 December 2024, the SHA Respondents applied to the DIFC Court for an order that their counsel be permitted to disclose to various 3rd parties certain documentation from the SHA Arbitration that had been submitted as evidence by IT Ltd, and which was subject to a special confidentiality regime (called the Restricted Access Regime). IT Ltd opposed the application. The hearing of the application occurred on 25 March 2025. The DIFC Court dismissed the application on 9 April 2025 and ordered the SHA Respondents to pay IT Ltd’s costs. Those costs were assessed to be USD 104 thousand on 26 May 2025.

Pending final outcome of the enforcement proceedings and the uncertainties on the timing and determination of the amount of recovery, the Group’s management has not considered any adjustment in the interim condensed consolidated financial information.

► *IBL Subordination Agreement Arbitration: Arbitration proceedings against IBL Bank SAL, Korek Telecom and International Holdings Ltd.*

The dispute is in relation to alleged fraud orchestrated by certain Korek Telecom stakeholders with the knowledge and cooperation of IBL Bank in connection with a subordination agreement relating to a USD 150 million loan extended by IBL Bank to Korek Telecom. The amount in dispute is to be determined during the course of the proceedings. The request for arbitration was submitted on 26 June 2018, and the respondents’ reply and counter-claim was submitted on 8 October 2018. The counterclaim seeks damages for losses (still unquantified) allegedly suffered by the respondents in relation to their reputation and good standing. IBL’s answer and counterclaim was submitted on 8 November 2018. Korek’s and IH’s answer was submitted on 14 December 2018. The tribunal was constituted on 15 May 2019. IT Ltd.’s Statement of Claim was submitted on 22 November 2019, and respondents’ Statements of Defense were submitted on 21 February 2020. IT Ltd.’s Reply was filed on 22 July 2020. IBL’s Rejoinder and Reply to Defence to Counterclaim and IH/Korek’s Rejoinder were filed on 23 October 2020. The hearings were convened in February 2021.

On 24 September 2021, the Tribunal issued its award granting in full IT Ltd.’s claim to render as null and void the subordination agreement relating to the USD 150 million loan extended by IBL Bank to Korek Telecom. The Tribunal agreed with IT Ltd. that all of the respondents, including IBL Bank, had engaged in a deliberate and intentional deception of IT Ltd. The counterclaims of the respondents were rejected in their entirety. In addition to the avoidance of the subordination agreement, IT Ltd. was awarded legal costs in the amount of USD 3 million, which was collected on 18 May 2023.

IBL Subordination Agreement Arbitration: Arbitration proceedings against IBL Bank SAL, Korek Telecom and International Holdings Ltd. (continued)

As a result of this award, on 12 November 2021, IT Ltd. filed a Request for Arbitration against Korek Telecom, in order to enforce its debt claim of more than USD 285 million (plus default interest) bringing the total claim to approximately USD 1 billion, against IH, as debtor, and Korek Telecom, as guarantor. Korek Telecom filed its reply on 24 January 2022. On 17 June 2022, Korek Telecom filed a request to stay the proceedings pending adjudication of its application before the Lebanese courts to annul the arbitral award invalidating the Subordination Agreement. On 1 July 2022, IT Ltd. filed its response to Korek Telecom's motion to stay. On 15 July 2022, Korek Telecom filed its Reply in support of its motion to stay. On 29 July 2022, IT Ltd. filed its Rejoinder to Korek Telecom's motion to stay. The hearing of the stay application occurred on 17 August 2022 and Korek Telecom's stay application was dismissed by the Tribunal on 22 August 2022.

The first Procedural order was issued on 9 September 2022. IT Ltd. filed its Statement of Claim on 9 September 2022. Korek Telecom's Defense was filed on 18 November 2022, the disclosure stage concluded on 20 January 2023. Iraq Telecom's Statement of Reply was filed on 3 March 2023. Korek's Statement of Rejoinder was filed on 5 May 2023. The merits hearing was convened in June 2023, and further hearings were convened on 26 and 27 September 2023.

The Tribunal submitted its draft Final Award to the ICC Secretariat on 8 July 2024 for approval and declared the proceedings closed. The Final Award was issued on 9 September 2024.

Korek was ordered to pay IT Ltd. over USD 1.3 billion. IT Ltd applied to the tribunal for correction/interpretation of minor typographical and other errors in the award on 18 September 2024. That application was granted by the tribunal and an addendum to the award specifying the corrections was issued by the ICC to the parties on 6 January 2025. IT Ltd. is now in the process of enforcing this Final Award.

Pending final outcome of the enforcement proceedings and the uncertainties on the timing and determination of the amount of recovery, the Group's management has not considered any adjustment in the interim condensed consolidated financial information.

Separately as well, IT Ltd. filed a Request for Arbitration ("IBL II Arbitration") against IBL Bank on 13 December 2021, seeking damages for the fraud that was adjudicated in the previous arbitration. IBL Bank's Reply was submitted on 7 April 2022. The tribunal was constituted on 10 August 2022, and the Tribunal has convened a Case Management Conference in the arbitration on 3 November 2022 and issued a procedural timetable on 5 December 2022. Pursuant to the timetable, IT Ltd. filed its Statement of Claim on 9 December 2022 and IBL's Statement of Defense was filed 24 March 2023.

On 1 June 2023, the Beirut Court of Appeal issued its decision on IBL's challenge to the award in the initial IBL Arbitration, ordering the set aside of that award (the "Annulment Decision"). IT Ltd. appealed the Annulment Decision before the Lebanese Court of Cassation. Following the issuance of the Annulment Decision, on 7 July 2023, IT Ltd. applied for a stay of the proceedings, or, in the alternative, an adjustment of the procedural timetable. On the same date, IBL applied for a summary dismissal of IT Ltd.'s claims. The Tribunal granted a stay of the proceedings until IT Ltd.'s application to the Lebanese Court of Cassation to stay the annulment was determined. On 18 October 2023, the Lebanese Court of Cassation ordered a stay of the Annulment Decision. The challenge to the Beirut Court of Appeal's decision is currently pending, and the parties have indicated they have no objection to maintaining the stay pending the outcome of the challenge. On 1 February 2024, the Tribunal issued Procedural Order No. 10, ordering a stay of the arbitration proceedings until the Lebanese Court of Cassation's decision on the challenge to the Beirut Court of Appeal's decision. On 11 February 2025, the tribunal extended the stay until 11 May 2025. and, on 11 May 2025, the tribunal further extended the stay until 16 December 2025.

► *DIFC Director Claims*

On 12 March 2018 IT Ltd. commenced proceedings in the courts of the Dubai International Financial Centre (“DIFC”) against Raymond Zina Rahmeh. The claim alleges breach of the defendant’s duties as directors of International Holdings and also alleges multiple instances of self-dealing. Mr. Rahmeh was validly served with the claim in CFI-019-2018 in Lebanon on 6 February 2020 and a certificate of service was issued by the DIFC Court on 13 February 2020.

Permission for IT to bring the derivative claim for and on behalf of IH against Mr. Rahmeh was granted by the DIFC Court on 11 May 2020, subject to the condition that IT is to file a schedule of breach, loss and causation (which has been done). Efforts were made to serve Mr. Rahmeh with the Schedule of Particulars and other recent documents via diplomatic service, but ultimately failed. Per the orders of the Court, the Schedule of Particulars must be served before further steps are taken in the proceedings. IT Ltd therefore applied for and was granted on 17 June 2021 permission to serve Mr. Rahmeh with the Schedule of Particulars and other documents by alternative means (e.g. email and courier to various affiliates of Mr. Rahmeh). Service by the alternative methods was effected, and, subsequently, on 16 December 2021, a judgment against Mr. Rahmeh was issued in the amount of USD 71.3 million plus costs and interest.

On 27 December 2021, the DIFC court granted permission for the judgement to be served on Mr. Rahmeh by way of alternate service. Alternative service was effected, IT is now in the process of enforcing the judgement sum plus costs. On 1 January 2023, IT Ltd. applied for injunctive relief (preventative attachments) before the courts in Lebanon regarding certain of Mr. Rahmeh’s assets. On 25 January 2023, injunctive relief was granted, thereby attaching 26 properties owned by Mr. Rahmeh in different districts as well as his shares in 24 companies. The injunctive relief extends to profits generated by those companies. Following a number of notification steps, the enforcement process proceeded towards a court-controlled auction process to auction off the assets. However, this process was interrupted because Mr. Rahmeh appealed to the Court of Appeal the decision of the Lebanese Court of First Instance granting permission to IT Ltd to enforce the default judgment. Pending determination of Mr. Rahmeh’s appeal, enforcement is paused by law. The appeal proceedings are ongoing.

Separately, on 5 September 2017, Modern Global Company for General Trading of Equipment, Supplier for Construction and Real Estate WLL (a wholly owned subsidiary of the Parent Company) commenced arbitration proceedings against Korek Telecom in relation to Korek’s alleged failure to pay servicing fees due to Modern Global under a services agreement. On 20 March 2019, Modern Global was awarded its full claim, interest and legal costs, amounting to approximately USD 4.5 million. The Group is in the process of enforcing the award against Korek Telecom.

As part of the enforcement process, Modern Global sought leave to make alternative service on Korek. A hearing before the DIFC Court regarding the grant of alternative service was convened on 9 February 2021. The DIFC Court issued its judgment on 9 May 2021 pursuant to which Modern Global was wholly successful on the appeal. Consequently, Modern Global is now taking active steps to enforce the USD 5 million award against Korek in the UAE and Iraq. In April 2022, an amount of approximately USD 1.1 million was obtained from certain Korek assets in the United Arab Emirates. Enforcement efforts remain ongoing.

Pending final outcome of the above litigations, the Group's management was unable to determine the fair value of the subject investment properties as at 30 September 2025.

(b) Guarantee encashment

A resolution was issued by the General Administration of Customs for Kuwait ("GAC") to cash a portion, amounting to KD 10,092 thousand of the bank guarantee submitted by Global Clearing House Systems K.S.C. (Closed) ("GCS"), a subsidiary of the Parent Company, in favour of GAC in relation to performance of a contract. Pursuant to this resolution, GAC called the above guarantee during the year ended 31 December 2007.

GCS appealed the above resolution at the Court of First Instance and the latter issued its judgment in favour of GCS and ordered GAC to pay an amount of KD 58,927 thousand as compensation against the non-performance of its obligations under the contract, and KD 9,138 thousand towards refunding of the guarantee encashed earlier, together with an interest of 7% per annum on these amounts to be calculated from the date the judgment becomes final.

GCS appealed the judgment in Appeal number 1923 for the year 2014 administration /4, before the Court of Appeal requesting an increase in compensation. GAC also filed an appeal No. 1955 / 2014 Administrative 4 before the Court of Appeal. On 13 September 2015, the Court of Appeal pronounced its judgement affirming the decision of the Court of First Instance. Both GCS and GAC appealed against this ruling before the Kuwait Court of Cassation in appeals No. 1480, 1487 for the year 2015. On 25 September 2019, the Court of Cassation resolved to defer the appeal to the experts. On 24 May 2021, the experts committee issued a report affirming GCS's right for the claimed compensation.

On 11 May 2022, this matter was finally resolved with the issuance of this judgment in respect of Appeals by Cassation No. 1480 and 1487 for year 2015, Administrative/4 before the Court of Cassation, where the court ordered the GAC to refund an amount of KD 5,561 thousand to GCS out of the original principal of encashed guarantee. The said appeals by Cassation resolved, otherwise, to uphold the appealed judgment, which ordered the second defendant, "the Director General of the General Administration of Customs in his capacity," to pay to the plaintiff "GCS" an amount of KD 58,927 thousand, thus making the total receivable KD 64,488 thousand in addition to the legal interest of 7% annually on both amounts from the date this judgment becomes final.

Accordingly the Parent Company and GCS recognized an amount of KD 64,488 thousand in the prior year representing the receivable as per the above rulings in favor of GCS (KD 58,927 thousand and KD 5,561 thousand as mentioned above).

(c) Legal cases with GAC - Appeals no. 1927 and 1933 for the year 2018

Further, in respect of an ongoing dispute between GCS and GAC on which there were claims filed by both parties against each other relating to project management mechanisms in the ports, GCS filed Case No. 760/2014 Administrative/6 against the GAC requesting the delegation of experts from the Ministry of Justice to view the IT system at the GAC to indicate the amount of vehicle handling fees. GAC filed a counterclaim requesting that GCS complies with the price list attached to the contract.

GAC also filed case No. 4242/2014 Administrative/6 against GCS with a request to establish a project mechanism development fund, for GCS to pay the customs authority an amount of KD 500 thousand for developing project mechanisms at customs ports on a periodic basis, and to oblige GCS to pay the customs an amount of KD 21,242 thousand for the fines owed by GCS as of 9 February 2005, as well as an amount of KD 50 thousand for the annual allocation to the fund.

Case No. 2738/2014 Administrative/6 against GCS with a request to oblige it to pay customs an amount of KD 5,853 thousand as differences in payments due for the project manager's fees from August 2006 to October 2010 with a cumulative delay fine and legal interest at the rate of 7% annually; and Case No. 3276/2015 Administrative/6 filed by the Director General of the General Administration of Customs with the same requests under Case No. 4242/2014 Administrative/6; and Case No. 3280/2015 Administrative/6 filed by the Director General of the General Administration of Customs with the same requests contained in Case No. 4246/2014 Administrative/6.

All these cases were joined together to hand down a single judgment for all of them. On 25 September 2018, the judgment was issued dismissing all cases.

The judgment was appealed by both GCS and GAC under appeals No. 1927 and 1933/2018, Contracts Administration and Individual Appeals/2. On 26 September 2022 the court ruled, First: the litigation ended in the first appeal, and the appellant company is obliged to pay the expenses and KD 10 as attorney fees; Second: accepting the second appeal in form, and in substance, cancelling the appealed judgment with regard to what was included in its judgment under requests one to four, and oblige the appellee to set up the project development fund, subject of the Bidding Contract No. A.S.M./1/2004/2005, subject of the litigation, and pay the appealing administration an amount of KD 12,443 thousand, and rejecting the appeal and upholding the appealed judgment with respect to other requests.

GCS appealed this judgment before the court of cassation in appeal No. 3995 for the year 2022 Cassation, Administrative/1 and requested to cancel the ruling and reject the case. The appeal also included a request for a stay of execution until the appeal is resolved. GAC also appealed this judgement in appeal No. 4023 for the year 2022 and requested to increase the value of the compensation. During the hearing scheduled for 12 April 2023, the Court of Cassation considered the request to stay the enforcement, and resolved to stay the enforcement of the judgment until the appeal is resolved. A hearing was set on November 26, 2025 to examine the case before the Court of Appeal. The Parent Company and GCS (after consulting the external counsel) have resolved not to record any provision pending final ruling by the court of cassation.

(d) Contract with the Public Authority of Industry ("PAI") for stage 5 land located in South Amghara area

The contract pertains to a lease agreement between the Parent Company and the Public Authority for Industry (PAI) for stage 5 land in the South Amghara area, covering a land area of 427,164 m². 17 FAIR VALUES OF FINANCIAL INSTRUMENTS

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in orderly transactions between market participants at the measurement date.

Determination of fair value and fair value hierarchy:

The Group uses the following hierarchy for determining and disclosing the fair values of financial instruments:

Level 1: quoted (unadjusted) prices in an active market for identical assets and liabilities.

Level 2: other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly; and

Level 3: other techniques which use inputs which have a significant effect on the recorded fair value are not based on observable market data.

The following table shows an analysis of financial instruments recorded at fair value by level of the fair value hierarchy:

Fair values of unquoted equity securities classified as fair value through other comprehensive income are determined using valuation techniques that are not based on observable market prices or rates.

The fair value of the collars has been determined based on the Black Scholes model for which key inputs include risk free rate, strike price for the put and call options, spot price of the equity security and volatility of the put and call options.
